

# Virtual Corporate Events

## Was your Event cancelled?

Are you still looking for other ways to bring your people together?

**You can still have a Virtual Event!**

*We have the Technology!*

*We have the Place!*

*We have the Plan!*

You can still have your Guest Speakers!

You can still recognize your people!

You can still promote your Products & Services!

You can still show Slides, Pictures & Videos!

And you can still have your Q&A!

Attendance will probably be better since there is no travel involved.

Pre-Registration can be set up with analytics of who attended to the end of the meeting.

And your event can be archived for future viewing.

Call **IAV** today to discuss your options and book your event.
