

Virtual Worship

Are you Streaming your Services for your Parishioners?

Is your Video quality good or are you still using a Smart Phone?

Is your Audio clear and intelligible for your viewers?

Are you still using a public streaming platform?

And if you are not Streaming, now may be the time to consider doing so.

IAV can help you take your Broadcasts to a new level!

We can install a permanent Streaming System to fit your budget, to include:

Using a Private and Secure Internet Channel.

A Professional video camera that can be set at multiple views.

A direct audio feed from your existing sanctuary sound system.

User-Friendly programed operation with remote support.

We can even fully automate your broadcast for a hands-free solution.

Embed the Live Stream onto your website for easy access for your Parishioners.

An Archive of past Services for replay at any time.

*Live Streaming and Recording of Special Events such as;
Weddings, Baptisms, Holy Communions, etc.*

Call or email **IAV** today to discuss your options and set up a site visit.

Let us help you bring your message to your parishioners.

One call does it ALL! Design - Installation - Instruction!

We can also Live Stream any event you may have from any location.
